

Make Informed Business Decisions

Accurint® for
Insurance

Accurint® for Insurance delivers proven online tools to locate, verify, validate and investigate people, businesses, and assets.

People

Powerful search featuring state-of-the-art matching and linking technology. Includes names, addresses, criminal records, voter registrations, phone numbers, marriage and divorce records, professional licenses, Patriot Act Lists, Statewide Public Records search and more.

Phones Plus

Provides access to over 75+ million records that contain name, address and non-Electronic Directory Assistance (EDA) phone numbers. Non-EDA might consist of cell phone numbers and other numbers that are not presently included in directory assistance data.

People at Work

This powerful search links 132 million individuals to businesses and includes information such as business address, phone and possible date of employment.

Assets

Real and Personal Property — Property Assessments, Property Transfers, Motor Vehicles, Boats, Airplanes and more.

CARFAX® Vehicle History Reports™ **NEW**

Get instant access to the most comprehensive vehicle history database available. CARFAX® delivers vehicle data from over 7,600 public and private sources including all state DMVs and many police departments, service facilities and collision centers.

As reported by state government agencies.

News

Aid your investigations with information that can't be found in public records with over 13,000 current and historical news sources.

Medical Records Retrieval* **NEW**

A fast and efficient way to order, track and retrieve medical records for your insured's medical history verification and claim-handling needs. Coverage is nationwide via a secure web site.

Also available:

- Canvassing to determine if an undisclosed medical event or pre-existing condition exists
- Employment/Business Records retrieval to assist with loss of earnings claims
- Retrieve records when engaged in litigation via our Subpoena capability

Health Care Searches **NEW**

Includes Nationwide Directory of Medical Licenses, Medical Professions Provider Search, Medical Professions Specialty Search, and Official American Board of Medical Specialties.

Provider Search – Nationwide! **NEW**

Nationwide coverage on a wide range of provider types and specialties containing in-depth information about the individual or entity.

Sanctions Search – Nationwide! **NEW**

Nationwide coverage from sanction and disciplinary agencies covering a wide range of medical provider types.

Rate Evasion Evaluation for Auto Insurers

Identify misrepresentation on application for insurance as well as active policies. Verifies, validates, and indexes customer-provided information. Available online, online batch submission and for system-to-system processing. Warning flags help identify potential risk with vehicle, address, SSN or identify other potential drivers.

Court Filings

Supplement your online investigations with civil and criminal docket information. Civil and criminal docket information can be requested at the county and federal level along with state criminal histories.

Reports

Start your analysis with as little or as much information as you have. Quickly identify connections between people, businesses, assets, and locations that would normally take hours or days to link.
