

Profitable business relationships grow faster with comprehensive risk perspective.

LexisNexis® Business InView combines critical commercial credit risk insights with easy-to-use assessment tools to help your business quickly navigate strategic credit decisions. Business InView generates an assessment score from tradeline data and LexisNexis® public records information that delivers the intelligence needed to make profitable business credentialing decisions.

Deeper intelligence drives faster decisions

By leveraging key alliances between LexisNexis and commercial credit bureaus, Business InView protects your business and provides a cost-effective way to verify business identities and minimize credit risk. Scores are generated from tradeline data and compiled alongside LexisNexis public records information and delivered in a series of low-cost, easy-to-understand reports.

Business InView provides streamlined access to key intelligence that supports confident decisions:

- Verify business identity
- Reduce risk
- Improve profitability
- Expand customer relationships
- Protect your business reputation
- Increase efficiency of commercial credit decisioning workflow

Business InView offers the strength of the LexisNexis public records database of more than 25 million businesses, combined with LexisNexis advanced linking technology, delivered in one report.

Clear-cut tools deliver powerful perspective

Conducting a high volume of transactions on both the buyer and seller side of your business is easier than ever with Business InView. Concise, affordable commercial assessment reports are available in real time XML or online. Exceptional 24/7 customer support is always easily accessible. Business InView delivers a complete suite of reports essential for making key due diligence and commercial credit decisions.

Strengthen working capital performance

Business InView provides easy-to-understand commercial scores and intelligence specifically to help customers establish new business relationships with confidence, enabling you to fully leverage your working capital to impact profitability.
