

Small and Mid-Sized Business Risk

Whether looking for new customers, sizing up strategic partnerships or bolstering your supply chain, get a clear picture of whom you're working with.

Process Applications

Uncover data on the business and business owner for a more complete picture of the prospect. Get insights on thin-file or no-hit applicants and speed up onboarding of customers, partners and vendors with less friction and less manual intervention.

Onboarding

Recover Debt

Devise collections strategies that will yield the best result at a minimum expense. Better segment accounts to prioritize likelihood of repayment. Combine payment history data with business profile data to avoid wasting time on ineffective collection channels.

Collections

Ongoing Management

Manage Accounts

Monitor profile changes—from new locations or associate entities to civil judgments—to capitalize on opportunities to deepen relationships, increase profitability and address risks.

Learn how we can help organizations achieve more in-depth insights on small businesses and the people behind them at risk.lexisnexis.com/SMBRisk
