LexisNexis® Accurint® for Government is a powerful investigative tool already used by approximately 3,000 government agencies across the country, assisting them with enforcing laws and regulations, fighting fraud and providing citizen-centric services. LexID®, our advanced data linking technology, enables government professionals to instantly gather and analyze current, comprehensive and authoritative public records information, allowing them to perform their jobs more efficiently and effectively.

**Efficiently manage your system users**

Advanced administrator features allow you to easily monitor and control user access for your entire agency and make changes on the fly. You can specify search access and usage limits for individual users, view activity reports and billing information, or perform usage audits right from your desktop.

**Improve your investigations workflow**

Quickly and efficiently:
- Locate people and discover associations
- Uncover assets
- Investigate businesses
- Visualize complex relationships
- Map property and sex offender locations with advanced Google Maps™ technology
- Verify and uncover derogatory information regarding beneficiaries/recipients and providers

**Get a clearer picture of your investigations with:**

- Names and addresses
- Credit reports
- Death and criminal records
- Professional licenses/sanctions

Public records can help accelerate investigations. Search smarter, not harder.
1. Customize search preferences.
2. Save time finding a person with one of these people searches.
3. Find information on millions of businesses.
4. Uncover assets tied to an individual or business.
5. Discover phone numbers not currently in the Electronic Directory Assistance (EDA), including possible cell phone and non-published numbers with Phones Plus and Real-Time Phones.
6. Discover derogatory data regarding providers billing health care programs and identify other leads of investigative interest.

**Locating Persons of Interest**

- Business information, including fictitious names
- Phone numbers, including possible cell phones
- Assets, including motor vehicles, watercraft and aircraft
- Bankruptcies, liens and judgments
- Real property records
- Email addresses and social networking information
