

Find missed opportunities.  
Identify current coverage with LexisNexis® Carrier ID.

Use LexisNexis® Carrier ID to help identify critical insurance carrier information on claimants and other parties involved in an accident. With Carrier ID, you can streamline claims resolution, find subrogation opportunities and uncover potential fraud.

## Benefits of Carrier ID

Carrier ID provides insurance policy information in a centralized, easy-to-access format. With Carrier ID, you can:

- Verify current coverage.
- Identify third-party insurance coverage.
- Uncover instances of duplicate coverage.
- Gain insight into uninsured motorist claims.
- Obtain vehicle information.
- Improve claims outcomes.
- Reduce cycle times.
- Set reserves more accurately.

### Streamline claims resolution

Carrier ID provides access to critical policy information on private passenger and commercial vehicles so that you can drive faster, more effective claims resolution. Search for insurance policy coverage by subject or VIN for quick identification of insurance coverage and key accident details.

### Discover subrogation opportunities

Mitigate revenue leakage by finding subrogation opportunities. Carrier ID provides a significant benefit to you in determining the current policy coverage of an at-fault party in a situation that may have originated as an uninsured motorist claim.

### Detect fraudulent activity

Minimize the threat of fraudulent claims. With Carrier ID, assess the legitimacy of a claim by addressing certain fraud indicators, such as one vehicle appearing on policies from multiple carriers.

### Access the information you need

Carrier ID provides critical policy information that is just a click away via LexisNexis® OrderPoint® and LexisNexis® Accurint® for Insurance.

#### Carrier ID results include:

- Subjects listed on policy
- Policy number
- Effective dates
- Vehicles insured

#### Access methods:

- LexisNexis® OrderPoint®
- LexisNexis® Accurint® for Insurance
- Batch
- System-to-system

#### About LexisNexis® Risk Solutions

LexisNexis Risk Solutions ([www.lexisnexis.com/risk](http://www.lexisnexis.com/risk)) is a leader in providing essential information that helps customers across all industries and government predict, assess and manage risk. Combining cutting-edge technology, unique data and advanced scoring analytics, we provide products and services that address evolving client needs in the risk sector while upholding the highest standards of security and privacy. LexisNexis Risk Solutions is part of Reed Elsevier, a leading publisher and information provider that serves customers in more than 100 countries with more than 30,000 employees worldwide.

Our insurance solutions assist insurers with automating and improving the performance of critical workflow processes to reduce expenses, improve service and position customers for growth.

The Carrier ID service is not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the Carrier ID, OrderPoint or Accurint for Insurance service may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be used under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis and the Knowledge Burst logo are registered trademarks of Reed Elsevier Properties Inc., used under license.
