

96% of insurers trust us to validate claims.

LexisNexis C.L.U.E. Property is the unsurpassed source in claims history with up to seven years of personal property claims matching.

**LexisNexis® C.L.U.E.® Property is a claims history information exchange with 96% industry contribution. C.L.U.E. Property contains up to seven years of personal property claims matching the search criteria submitted by the inquiring insurance company.**

With its leading-edge linking capabilities and advanced big data processing platform, HPCC Systems, LexisNexis® C.L.U.E.® Property discovers more claims per inquiry than any other available source.

Data provided in C.L.U.E. reports include policy information such as name, date of birth and policy number; claim information such as date of loss, type of loss and amounts paid, and property information.

**C.L.U.E. Property helps insurers:**

- Reduce risk and liability by assisting underwriters in predicting future claims
- Speed the underwriting function by providing quick and easy access to comprehensive data
- Make better informed, more immediate business decisions
- Improve customer experience while reducing fraud
- Receive results interactively in a timely and reliable fashion via flexible delivery systems

C.L.U.E. Property, which commemorates 20 years of insurance claims history for the property insurance industry in 2012, uses LexID<sup>SM</sup> proprietary linking technology and access to more than 40 billion public and proprietary records from more than 10,000 sources. LexID is the fastest linking technology available, enabling customers to identify, organize information quickly and link records together.

LexID<sup>SM</sup> is the ingredient behind our products that turns disparate information into meaningful insights.
