

We do the legwork so you don't have to.

Streamline claims processing with LexisNexis®
Police Records.

LexisNexis® Police Records is a single source of police records that helps carriers process claims more efficiently.

Simplify the way you order police reports

There are more than 50,000 agencies in the United States that distribute police records, and no two are the same. We work with them so you don't have to. Through one convenient and secure process, you can order police records from any agency and choose from flexible delivery options.

Save time and money

The LexisNexis Police Records solution offers access to current and historical police records, so you get the information you need—when you need it. Reports are archived for up to two years, helping you eliminate manual retrieval and duplicate order expenses.

Speed up claims resolution

Getting police reports in a timely manner can help you close simple claims quickly—enabling adjusters to focus on severe or complex claims. Get critical, timely information to enhance fraud detection and discover subrogation opportunities.

Streamline the claims process

LexisNexis Police Records is a comprehensive source of the information you need to process claims effectively and efficiently, including:

The Police Records and OrderPoint services are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the Police Records or OrderPoint services may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be used under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis and the Knowledge Burst logo are registered trademarks of Reed Elsevier Properties Inc., used under license.
