# Life moves fast.

# If you don't keep up with your insurance customers, you could miss out.

Insurance carriers are often left in the dark about their customers' important life changes. By uncovering these knowledge gaps, you can increase retention, improve loss ratios and identify opportunities.

It's time to shed light on what insurance carriers can do about the reasons for the gaps

don't know what life changes impact their insurance

Some know it adversely impacts and choose to

Some don't believe contacting their provider is a top priority

Some events cause them to shop and they cancel their policy

Are you covering everyone in the house driving the family car? Research shows an increase

in profit and value for carriers who add uninsured and undisclosed drivers.3

net premium acquired (based on an average size carrier of

return on investment

#### Research shows significant \$12.8M opportunity for carriers that return on investment

Do you know when your customer wants to break up with you?

reach out to policyholders who are shopping.<sup>3</sup>

net premium retained (based on an average size carrier of 500,000 policies in force)

#### list their house for sale and 12 times more likely policies lost to leave when their house is pending sale.3

Finding solutions to close the knowledge gap

### With this information, carriers can proactively reach out to their customers and advise them on the appropriate actions needed to reflect these important changes.

LexisNexis® Active Insights lets carriers know when a life change occurs.

customer service to policyholders when an undisclosed and uninsured driver appears within the household.

## a policyholder has shopped their insurance.

a policyholder has listed and/or is about to sell their property on MLS.

By leveraging the LexisNexis® Active Insights platform, you will be able to gain insight and take action on important changes within your policyholders' lives.
