

Improve customer experience and retention efforts while elevating profitability

LexisNexis® Current Carrier® Property helps carriers strengthen their customers' experiences while also improving the renewal underwriting process and profitability.

Take the guesswork out of home insurance quoting and underwriting by utilizing our renowned personal property policy information database.

Through a single-point-of-entry to many existing LexisNexis products, Current Carrier Property provides carriers with prefilled information on coverages, deductibles, lienholder information and more. Policy data contribution enables enhanced pricing and with the purchase of additional products, proactive monitoring of policyholder life events and the automation of certain lienholder compliance responsibilities.

LexisNexis® Current Carrier® Property

Easy to use, efficient, automated and much more

- Access a robust contributory database for personal property policy information.
- Automate the customer data collection process and anticipate consumer coverage needs prior to delivering the quote.
- Leverage LexisNexis® Current Carrier® Auto insights to enhance pricing on your property book.
- Utilize a single-point-of-entry to leverage existing LexisNexis data solutions* accompanied with policy information.
- Improve retention and re-underwriting programs by automating policy monitoring and retain existing customers by gaining timely insights into changing household needs, all with the purchase of our LexisNexis® Active Insights platform.

Current Carrier Property helps you...

- Streamline processes and leverage information to make better decisions faster.
- Quote and underwrite more effectively by identifying the key household data and risk factors.

* LexisNexis® C.L.U.E.® Property, LexisNexis® National Credit File (NCF) and LexisNexis® Property Data Prefill

The LexisNexis Property Data Prefill services are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the LexisNexis Property Data Prefill service may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another purpose in connection with which a consumer report may be used under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis Current Carrier Property, LexisNexis C.L.U.E. Property, LexisNexis Current Carrier Auto and LexisNexis National Credit File service are consumer reporting agency products provided by LexisNexis Risk Solutions Inc. and may only be accessed in compliance with the Fair Credit Reporting Act, 15 U.S.C. 1681, et seq. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. Before relying on any data, it should be independently verified.
