

## Coplogic™ Ethos

*Field-based reporting just got an upgrade*

Propel your agency into the native mobile era with Coplogic™ Ethos, a dynamic and highly configurable cloud-based data management and optimization platform. Flexible and convenient, Coplogic Ethos fast tracks and simplifies field-based crash and citation reporting across the entire traffic unit, including in-car (MCT), motorcycle and bike patrol. Coplogic Ethos provides:

**Improved officer safety and productivity** – Stay mission-ready and focused on traffic safety with decreased time on scene, powered by the highly intuitive, digitally responsive native mobile app and touchscreen interface

**Greater control** – Meet the unique needs of your agency and community with the ability to create and manage all forms online, via a single point of entry to convenient and flexible processes that improve data sophistication

**A force multiplier** – Free up officers and enable proactive patrolling with simplified workflows
