

## Don't get stuck in a holding pattern

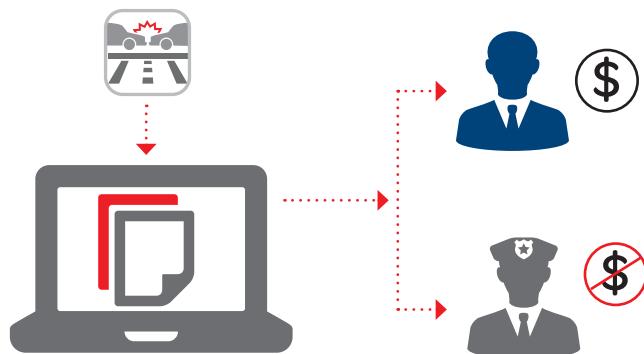

Distribute crash reports faster,  
more efficiently and securely.

For law enforcement agencies, fulfilling requests for crash reports can be time-consuming and costly. This is largely due to the labor it requires as well as the inefficiencies of outdated record storage and retrieval practices.

The LexisNexis® Police Reports solution is helping law enforcement agencies address the challenges to cut cost, increase efficiency and improve service to citizens.

### **LexisNexis® Police Reports: Simplifying the secure distribution of crash reports**

LexisNexis Police Reports is an eCommerce web portal that provides community members and other authorized parties with a convenient way to purchase their crash reports online 24/7. The online service is provided at no charge to law enforcement agencies.

### Streamline processing and stay secure

- Maintain compliance. LexisNexis Police Reports complies with federal, state and local laws regarding the distribution of crash reports.
- Authorized parties access reports online.
- LexisNexis Police Reports includes exchange of information cards officers can provide to involved parties, informing them of where and how to obtain a copy of their report without having to visit the law enforcement agency.

### Greater efficiency for better service to authorized parties

By using LexisNexis Police Reports, law enforcement agencies gain capabilities that allow them to:

- **Distribute reports 24/7 online**, which improves report distribution, accessibility and administrative efficiency.
- **Enhance service to the parties to the accident and insurance carriers** by offering an alternative method to traveling to the agency to retrieve crash reports.

LexisNexis Police Reports can reduce the clerical effort currently being expended to fulfill the volumes of crash report requests received every month by your agency.

Your agency will gain free access to a multi-million record database that can be used for investigative purposes.

- Search millions of crash reports being submitted from over 4,000 agencies around the country.
- Free access to AutoCheck® vehicle history reports powered by Experian Automotive.

All LexisNexis Police Reports components are backed by the information management strength of LexisNexis, a trusted custodian of data for over 40 years.

The Police Reports Service is not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. § 1681, et seq.) ("FCRA") and does not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the Police Reports service may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or for any other eligibility purpose that would qualify it as a consumer report under the FCRA. Accordingly, the Police Reports service may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or for any other eligibility purpose that would qualify it as a consumer report under the FCRA. Due to the nature of the origin of public record information, the public records and commercially available data sources used in reports may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. This product or service aggregates and reports data, as provided by the public records and commercially available data sources, and is not the source of the data, nor is it a comprehensive compilation of the data. Before relying on any data, it should be independently verified. LexisNexis and the Knowledge Burst logo are registered trademarks of RELX Inc.
