

Raise the effectiveness and efficiency of critical screening and monitoring workflows with LexisNexis® Bridger Insight® XG

Accelerate risk assessment and automate screening

LexisNexis® Bridger Insight® XG enables your business to consolidate key compliance workflows and quickly identify potential risks. Connect to reliable and robust global risk data specifically tailored to your risk thresholds:

Reduce excess data noise by connecting to current and concise risk intelligence

Bridger Insight XG's **intelligent functionality and features** easily integrate into your existing processes to raise the efficiency and effectiveness of screening, due diligence and monitoring activities.

- Industry-proven matching algorithms** that reduce false positives
- Highly configurable matching rules** that adapt to changing compliance demands
- Scalable batch processing capabilities** that easily handle large quantities of customer information to optimize continual, ongoing monitoring requirements
- Advanced configuration** that enables you to easily integrate Search API and Automated Batch functionality into existing systems
- Robust reporting** and a fully transparent audit trail to support stronger oversight
- Seamless integration with LexisNexis® WorldCompliance™ Data** that facilitates automated compliance, risk assessments and investigations
- Easily interfaces with additional LexisNexis® Risk Solutions products** to simplify enhanced due diligence and deeper investigations

Achieve an optimal compliance workflow

Bridger Insight XG's **agile, intuitive interface** maximizes efficiencies and helps maintain process consistency without disrupting day-to-day business. Our screening tools enable you to confidently complete risk-based assessments while balancing compliance demands with core business operations.

Count on an industry-proven screening choice

Respected global organizations rely on the time-tested capabilities of **Bridger Insight XG** and **WorldCompliance Data**

We do business with **seven of the world's top 10 banks**, and we enabled over **140 billion screens in 2019** to help our customers maintain compliance and conduct business only with appropriate entities.

History proves our **strong strategic commitment to fighting financial crimes** including money laundering, bribery and corruption and terrorist financing.

As the **leading screening solution** in the US market, **Bridger Insight XG** is recognized and understood by a range of regulatory authorities.

Bridger Insight XG **streamlines screening, due diligence and ongoing monitoring** to accelerate risk assessment so your business can effectively manage compliance challenges and concentrate on core business objectives.

The Bridger Insight XG and WorldCompliance Data services are not provided by "consumer reporting agencies," as that term is defined in the Fair Credit Reporting Act (15 U.S.C. Non FCRA § 1681, et seq.) ("FCRA") and do not constitute "consumer reports," as that term is defined in the FCRA. Accordingly, the Bridger Insight XG and WorldCompliance Data services may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another eligibility purpose that would qualify it as a consumer report under the FCRA. Due to the nature and origin of public record information, the public records and commercially available data sources used in reports may contain errors.
