

# Maximize efficiency, cut costs and customize compliance screening

**LexisNexis® Bridger Insight® XG is the go-to solution for compliance screening that saves you money and boosts efficiency.**

Automate account and payment screening with real-time insights into global sanctions, PEPs and high-risk entities, fully configured to fit your business needs. Bridger Insight® XG effortlessly answers the AML, ABC and CFT regulatory challenges of any risk decision. The world's top brands choose Bridger Insight XG to control costs and optimize compliance.

## Key features and benefits

### Save money and time on screening

Reduce delays and resource demands with a powerful screening engine and false positive reduction capabilities.

### Accelerate revenue growth by automating decisions

Get real-time global insights tailored to your risk appetite with integrated access to over 7 million LexisNexis® WorldCompliance™ Data profiles.<sup>1</sup>

### Scale to meet every opportunity

Stay agile and quickly expand with scalable batch processing capabilities and seamless workflow automation.

### Configure precisely for your business

Meet specific speed, security and geographic requirements with a fully configurable interface and flexible hosting options.

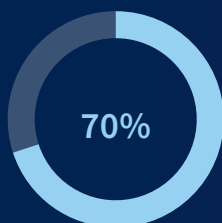

### Maintain regulator-ready compliance

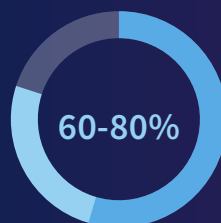

Document and defend decisions with transparent audit trails, robust case management and intuitive compliance reporting.

## Power impressive savings with intelligent technologies

**Bridger Insight XG delivers innovative technologies, global risk intelligence and proven decision analytics — in one solution fully tailored to your specifics.** Improve decision speed with intuitive tools that help identify risks up-front and reduce data delays and duplicates:

reduction in amount of time required to screen against list updates<sup>2</sup>

reduction in false positive alerts<sup>3</sup>

reduction in manual reviews<sup>4</sup>

## Realize immediate results with a quick-start installation

Be up and running in less than a week from onboarding, with plug and play functionality that eliminates system integration and maintenance demands. Bridger Insight XG offers quick-start installation and a browser-based interface that works within your existing systems and processes. Flexible cloud and hosted delivery options fit business-specific speed, geographic and security requirements.

## Choose the go-to screening choice for global powerhouses

The world's leading brands trust Bridger Insight XG to help them simplify AML, ABC and CFT compliance, secure their reputation and stay focused on core business:

### Top leaders in the financial services industry:

- 16 of the top 25 US financial institutions<sup>5</sup>
